

The University of Dayton is pleased to offer employees, retirees and their families the added benefit of a personal **health plan advisory service**, RetireMED®iQ.

This program has been made available to you courtesy of UD at **no cost to you**, so that you and your loved ones can find and enroll in your ideal individual health plan.

If you or a family member are considering retirement, join us for an educational meeting where a representative from RetireMED®iQ will discuss the basics of Medicare, the Affordable Care Act, and what it all means for you!

Thursday, April 21, 2016

Noon—1 p.m.

KU 310
