COLLABORATION ACCELERATOR 2.0

Summer 2016 Internship Opportunity

IAN in Action! Join ArtStreet's Institute for Arts Nexus and the UD School of Engineering in a unique professional internship that consists of cross-sector collaborative challenges that integrate applied creativity, innovative perspectives and community development. By seeking the most engaged and creative students from different academic areas of study, we believe these uncommon pairings drastically increase the ability for extraordinary results and discoveries to occur.

WHAT'S IN IT FOR YOU:

- Take creative and innovative theory and put it into professional practice.
- Build confidence to rethink traditional models for project delivery solutions.
- Forecast and make innovation actionable for the future by challenging the present.
- Be part of an immersive experience with people and places in the city of Dayton.

POTENTIAL CLIENTS INCLUDE:

Air Force Research Laboratory - UD Research Institute - Emerson Technologies

DATES:

May 10 - July 30, 2016

Interns will work 35 hours/week and will be paid \$15/hour, plus housing.

WHO SHOULD APPLY:

We are seeking a total of 12 interns for the summer. Current students of any major, any year (including those planning to graduate in May) are encouraged to apply.

HOW TO APPLY:

Send the following to artstreet@udayton.edu by Monday, March 21, 2016:

- Resume
- A short, radically creative submission (video or any other submission method of your choosing) that shows us what you would contribute to this innovative multi-disciplinary experience.
- PLEASE NOTE: You must also apply for the position/upload resume to Hire a Flyer ("Collaboration Accelerator Intern" - Job ID #57502) by March 21, 2016.

LEARN MORE:

Join us on Monday, March 14 at 3:30 p.m. in ArtStreet's Creator Space to learn more about this one-of-a-kind opportunity, meet participants from last summer, and introduce yourself to program coordinators (aka network and get yourself a great summer job).
