FILM: THEY WILL HAVE TO KILL US FIRST

7:30 PM | Sears Recital Hall, Jesse Philips Humanities Center

FREE, no advance reservation required. This feature-length documentary follows musicians in Mali in the wake of a jihadist takeover and subsequent banning of music. Music in Mali disappeared overnight in 2012 when Islamic extremist groups rose up to capture an area the size of the UK and France combined. Declared "Essential viewing" (Dazed & Confused), and "A gripping, powerful documentary" (Indiewire), this film provides raises questions about the importance of cultural heritage and human rights.

8:00 PM – 9:30 PM | Sears Recital Hall, Jesse Philips Humanities Center

Trio Da Kali only came into being in late 2012: the Trio formed specifically to develop a project with the legendary Kronos Quartet, whose artistic director David Harrington described it as "one of the most beautiful collaborations Kronos has had in our first 40 years." The ensemble is on a rare American tour.

The Intensive English Program (IEP) offers a drop in conversation groups on alternating Wednesday and Friday afternoons. World Exchanges are designed to assist IEP students in practicing their English conversation skills, while also offering U.S. students a chance to practice their intercultural communication skills. Each day will offer a variety of both open and structured conversation opportunities. World Exchanges will be offered only during week's 2-5 of the IEP terms.
