

HONORING
THE UNIVERSITY OF DAYTON SCHOOL OF LAW
FOR OUTSTANDING ACHIEVEMENT

On behalf of the members of the Senate of the 129th General Assembly of Ohio, we are pleased to congratulate the University of Dayton School of Law on being ranked twenty-first in the nation by *US News and World Report*.

The University of Dayton School of Law is deserving of high praise, for it has been acknowledged as one of the best legal writing programs in the country. The school offers strong curriculum and extracurricular programs, and this accomplishment is a justifiable source of pride and an excellent reflection not only on the institution itself but also on its faculty, on its students, and on the local community.

Education is vital to our nation's continued economic and social well-being, and as the need for global learning and understanding increases, so do the demands placed upon our system of higher education. Over the years, the University of Dayton School of Law has consistently and effectively met these demands, and we applaud its faculty and staff on their tremendous efforts.

Thus, we commend the University of Dayton School of Law on its recent accolade and extend best wishes for the future.
