Students Graduating 2019 – Fall Registration Begins: **8:00a.m., Wednesday, April 12, 2017**

Summer 2017 online registration for all students will begin Wednesday, April 5, 2017 at 8:00a.m. on a first-come, first-serve basis.

CURRICULUM COUNSELING SESSION

- ✚ A curriculum counseling session will be held for Fall 2016 Starter students on Tuesday, March 21 at 11:00a.m in the Courtroom. **This counseling session is mandatory.**
- ✚ A curriculum counseling session will be held for upper-level students on Thursday, March 23 at 12:00p.m in Courtroom. **This counseling session is optional.**

REGISTRATION PROCEDURES

1. Login to Porches at <http://porches.udayton.edu> with your LDAP/Novell username and password. Go to the **Flyer Student Services** tab and under **Student Tools/Registration** select **Registration Status**. This will show whether you have holds and time tickets for registration. Remember, **unresolved holds will prohibit you from registering.**
2. Login to Porches at <http://porches.udayton.edu> with your LDAP/Novell username and password, go to the **Flyer Student Services** tab and under **Student Tools/Registration**, select **Search and Register for Classes**.
3. In the **Search by Term** area, choose the specific Law Term, e.g., Fall 2017- **Law**, Summer 2017- **Upper Level**.
4. In the **Subject** area, highlight/select **Law** and click on **Course Search**.
5. There are two registration methods:
 - a. **Add all courses to a worksheet (similar to a shopping cart):** Make sure you have the most current Summer & Fall 2017 Course Schedule. Locate your preferred course/section and click the box next to the preferred CRN (4-digit course registration number located underneath the course number) to add it to your worksheet. Once you've selected all of the courses you want to take, submit your schedule.
This method allows you to build an entire schedule at once; only after submission do you see potential registration errors and closed classes.
 - b. **Search and register for courses one at a time:** Make sure you have the most current Summer & Fall 2017 Course Schedule. Click the **Register** button each time you select a course. This method of registering ensures that you will have a seat in the class if no other errors or

section closings prevent you from registering. This method is recommended when you are aware that space in a particular course is limited or close to being full.

6. If you get closed out of a course, you can request to be added to the closed course list by sending an email to the Registrar's Office website at LawOffofReg@udayton.edu. Ms. Mary Beth Miller is in charge of managing that list and she will place your name on the list in the order in which the email was received. You will be contacted by Ms. Miller, via email, when/if a seat opens up for you.

Students may change their classes online **prior to the first day of the term** in Porches by selecting the **Add or Drop Classes** link under the **Student Tools/Registration** channel.

Students are responsible for monitoring their own progress in completing requirements for graduation.
