

### Address Requirement

Borrowers are obligated to respond to notices from the library. It is the borrower's responsibility to keep the University informed of his or her current email and local address. The borrower is liable for fines and processing fees whether or not he or she receives mailed notices and invoices.

### Library Cards

Your University ID card is your library card and it is required for all borrowing transactions.

A lost University ID card or UD Library membership card should be reported immediately at the Circulation/Reserve desk. University of Dayton users should also report the lost card to the Registrars Office. New University ID cards are obtained through the OneCard office in the Powerhouse. The owner of a lost or stolen ID card is financially responsible for all library materials borrowed on the card before he or she reports its loss to the library
