

How to: Respond to a Progress Survey for Students in Your Courses

To complete the survey:

1. Log in to the Student Success Network
2. Click on the dropdown on the Students tab at the top of the page.

3. Choose Progress Surveys and begin your first survey. Your students will be listed on the left and items you can raise will be across the top.
4. Click on the kudos and flags you wish to raise. Students WILL receive any comments you add to kudos. The comments you enter with In Danger of Failing flags WILL NOT be shared with the student.
5. Click SUBMIT when you are finished with that class even if you don't have feedback to give on the students. You will be asked to confirm that you want to continue. Click Yes.
6. Repeat steps 4-5 for each course section. SSN will automatically present your next course roster until all sections have been submitted.

You will receive a confirmation email when your submissions have been received.
