

Directions for accessing MBTI (Meyers-Briggs) website

Go to the web address: <http://online.cpp.com>

LOGIN: testmenow (case sensitive)

PASSWORD: assess (case sensitive)

USER ID: leave blank

Click on: LOGIN

You will take the Myers-Briggs Type Indicator (MBTI) Step 1, **Form M**.

1. Find the MBTI form **M** and click on: Begin
2. At Batch Name, at the pull-down arrow, select: **Callings** (PLEASE SELECT THIS NAME)
3. Type your first name, last name and indicate gender.
4. On the next page, select your age
5. Click on: Continue
6. Take the MBTI assessment, following the screen instructions. When finished, scroll to the bottom and click on: Done
7. If you have completed the assessment, click: Log Out
8. Exit Website

PLEASE NOTE: If you encounter difficulty when taking the assessment, try it with a modified name (shorten your name). This will create a “new person”, and you can try again. If this does not work, please wait at least a few hours, then return to the website to try again. Sometimes our campus network has difficulties beyond our control.
