

UD2WP

University of Dayton *to* Wright-Patterson Air Force Base

Thursday, October 27, 2016 (8:00a-3:30p)

What is UD2WP?

UD2WP is a one-day, career-exploration trip to Wright-Patterson Air Force Base. The trip will provide liberal arts and business administration students a look at the many *civilian* career opportunities in the U.S. Air Force and at “Wright Patt”. While employment in the engineering disciplines tends to be the most visible, UD2WP will provide students a look into other professional fields such as foreign language, operations management, international sales, accounting, contract negotiation, intelligence analysis, the physical sciences, and more.

Who should apply?

Students in the College of Arts & Sciences and the School of Business Administration who are interested in learning more about careers in a unique environment, in which your work will make a difference nationally and internationally. *Given the sensitive nature of some of the sites visited, all participants must be citizens of the United States.*

The Timeline

UD2WP is scheduled for **Thursday, October 27, 2016**. The group will leave campus at 8:00 a.m. and return by 3:30 p.m. Lunch will be provided. Please advise Aaron Witherspoon in the College or Janet Leonard in the School of Business of your interest to participate no later than September 29th.
