

## EVENT SCHEDULE

Thursday, September 19, 2013, Science Center Auditorium 114, 8:30 AM – 5:00 PM

Time	Name	Title
8:30 AM	Mickey McCabe, Ph.D. V.P. for Research and Executive Director of Research Institute, University of Dayton	<i>WELCOME</i>
8:35	PANEL DISCUSSION Chair: Kevin P. Hallinan, Ph.D., Mechanical Engineer	Exemplary Catholic and Marianist Scholarship: Diverse Perspectives from Multiple Disciplines
9:30	Jana M. Bennett, Ph.D. Religious Studies	In the Beginning, Who Created? Reflections on God, Cyborgs and the Internet
9:55	Thaddeus A. Hoffmeister, J.D. School of Law	Google, Gadgets and Guilt: Juror Misconduct in the Digital Age
10:20	John A. Heitmann, Ph.D. History	The End of an Affair: Americans, Their Love of the Automobile, and Why Understanding it Matters
10:45	Douglas C. Hansen, Ph.D. Nonstructural Materials Division/Research Institute	Novel Biopolymers as Environmentally Friendly Adhesives, Coatings and Structural Materials
11:10	Mary I. Fisher, P.T., Ph.D. Doctor of Physical Therapy Program	Arm Function May Affect Quality of Life of Long Term Breast Cancer Survivors
11:35	Carissa M. Krane, Ph.D. Biology	Frozen Alive
12:00 Noon	LUNCH BREAK	<i>Schedule resumes at 1:15 PM</i>
1:15 PM	Research Award Recognition	
1:30	Robert T. McGrath, Ph.D. V.P. for Research, Georgia Institute of Technology Director, Georgia Tech Research Institute (GTRI)	KEYNOTE Address <i>"THE INNOVATION ECOSYSTEM: FOSTERING RESEARCH &amp; COMMERCIALIZATION"</i>
2:20	Binod Kumar, Ph.D. Energy Technologies and Materials Division/Research Institute	Energy Storage: Societal Needs and the Emerging Lithium-Air Technology
2:45	Andrew M. Sarangan, Ph.D., P.E. Electro-Optics Graduate Program	Microchips that Make Pictures: Nanotechnology and Image Sensors
3:10	Christopher Muratore, Ph.D. Chemical & Materials Engineering	Carbon Nanomaterials: Atomistic Interfaces and the Hunt for a Payoff on the \$10 <sup>12</sup> Investment
3:35	Diane M. Sullivan, Ph.D. Management & Marketing	How Entrepreneurs can use their Knowledge and their Connections to Increase the Number of People they Employ
4:00	PANEL DISCUSSION Chair: Kenneth Bloemer, Ph.D., Innovation Center	Innovation in Action: A Live Demonstration of UD Community Ideation
5:00	RECEPTION	<i>Science Center Atrium</i>
