

# St. Patrick's Day Tips

## Standards of Behavior

- High-risk drinking behaviors (e.g., underage drinking, drinking games, false IDs, distribution to minors, hosting large gatherings involving alcohol) are prohibited.
- Drones, glass bottles, and guests are prohibited.
- See something dangerous? Say or do something to stop the behavior. Contact Public Safety at 937-229-2121 for assistance.
- The choices you make can directly affect your future as a student and value of your accomplishments.
- Be conscious of your actions, aware of your environment, and know the potential risks that come along with the misuse of alcohol.
- Above all, act responsibly, treat yourself and others with respect, and follow the law.

# St. Patrick's Day Tips

## Health and Safety

- If you decide to drink, add space between drinks (1 drink per hour), count standard drinks and know your limit. Stay hydrated, drink water between each alcoholic beverage.
- Lock your doors when leaving your residence, don't prop open your door and never let strangers in.
- Look out for your friends, use the buddy system.
- Stay alert, make you unaware of your surroundings.
- Take advantage of all the substance-free events taking place on campus.

# Campus Events

# This St. Patrick's Day...

**Let your friends know that you got their back by practicing these tips.**

- Develop a buddy system. Don't leave friends alone.
- Make sure your friends get home safely.
- Recognize when a friend is in trouble and call for help.
