

WHAT'S
YOUR

GREEN
DOT?

No one has to do everything
Everyone
has to
do something
What's your
green dot?

Green Dot focuses on the power each of us have to stop sexual assault, intimate partner violence, and stalking. Join the movement. What's your green dot?

DIRECT

“That isn’t cool.”

“Are you okay?”

“You really need to stop doing that.”

DELEGATE

“I’m going to call Public Safety.”

“Hey, Fellow! Can you help us out?”

“Hey, friend – can you check out this situation for me?”

DISTRACT

“There’s a puppy outside!”

“Want to go get some pizza?”

::Starts dancing in between them::

**IT
WON'T
END**

UNLESS

**YOU DO
SOMETHING**

SO WHAT'S YOUR GREEN DOT?

Green Dot training is a full afternoon experience that gives you the skills you need to keep your friends safe from violence. Training is free, includes lots of food, and you get a t-shirt at the end! We hope to see you there!
