REGISTER FOR ORIENTATION AND DOWNLOAD THE NEW STUDENT PROGRAMS APP

The first step to Orientation is registering. Log into Porches at go.udayton.edu/admission to register for the 2019 Orientation program. If you are a transfer student, you have the option of registering for our in-person experience (highly recommended) on January 11, 2019 or an online experience. If you are a first-year student, new to a University experience, you will be joining us for the in-person experience. Be sure to register any family members that may be attending with you. Access the January orientation schedule, maps, UD information and much more through our 1850 App on your smartphone! Visit our website at go.udayton.edu/nsp for download directions to take advantage of having all things Orientation available at your fingertips.

STAYING CONNECTED

Web sites such as Porches (go.udayton.edu/admission), New Student Orientation (go.udayton.edu/nso) and Housing and Residence Life (housing.udayton.edu) have the answers to many questions you may have. Also, keep a close watch on your UD email account for information, as it is the official point of contact for all things UD.

BE READY

Have you purchased your books from the UD Bookstore? What about your parking permit (if applicable)? Buying books and picking them up before classes begin alleviates waiting in long lines to find books for each class. Books can be purchased at bookstore.udayton.edu. Simply visit parking.udayton.edu to view parking rules and regulations and to purchase a parking permit online.

LEARNING ABOUT LEARNING

If you have a disability and want assistance, contact the Ryan C. Harris Learning Teaching Center's Office of Learning Resources (OLR). The OLR is an excellent resource for students with disabilities; however, it is up to you to initiate this process. Contact the OLR at 937-229-2066 (937-229-2059 TTY) or at disabilityservices@udayton.edu. You can also visit the OLR on the web at go.udayton.edu/learning.

IMMUNIZATION

If you have not submitted your immunization paperwork, please do so as soon as possible. For more information, visit the Health Center website at go.udayton.edu/healthcenter or call 937-229-3131.

WELCOME TO THE COMMUNITY!

Our Commitment to Community (C2C for short) describes the principles we come to understand and the habits we practice as we live and learn in community at UD and beyond. Please read the University of Dayton's Commitment to Community prior to orientation in order to become familiar with it and better prepare for flyer life. You can find the C2C at udayton.edu/studev/_resources/files/commitment_to_community.pdf
