

RecBikes Program Information

- RecBikes are **ONLY** available for checkout by RecPlex members with a UD ID – i.e. students, faculty, and staff. Red Card members, UD non-members, or guests **CANNOT** check out bikes.
- The participant must completely fill out all required paperwork and comply with all policies in order to check out a RecBike. Those not willing to do so may be revoked access to the RecBikes.
- Only **ONE** RecBike may be checked out per UD ID.
- The RecBikes program runs April 1 through November 30 due to the nature of inclement weather in Ohio during the late fall, winter, and early spring.
- RecBikes can be checked out starting at 6am during the week and 9am weekends. All bikes and equipment **MUST** be returned by 8pm on the **SAME DAY**. Any equipment not returned by 8pm will result in the member being charged a late fee. Rental hours may be adjusted during holiday and summer breaks.
- All RecBikes and equipment must be returned in original condition. Any damaged or missing bikes or equipment will result in the member being charged a damages fee and/or termination of RecPlex membership.
- Any person checking out a bike **MUST** also check out a lock and helmet. Bike bags are available upon request.
- RecBikes must be **WALKED** in and out of the RecPlex via the Evanston side entrance **ONLY**.
- RecBikes are available on a first come, first serve basis. No reservations will be accepted.
- RecBikes that are returned excessively dirty may be required to be cleaned by the participant before they will be allowed to be checked back in.
- Route maps are available to help users navigate around the Dayton area.
- Failure to comply with any policy may result in removal from the facility and termination of membership.
