This week was a blast! Our space cadets learned about space travel, discovered what it is like to be an astronaut, and participated in various art and recreational activities. Highlights from week two are:

- Racing in a NASA-inspired obstacle course
- Creating flying saucers
- Moving in CrossFit Kids
- Making moon sand
- Climbing at the Rock Wall
- Making Martian goop
- Participating in a gravity dance
- Learning about space travel
- Competing in wacky water relays
- Designing alien masks
- Searching for 100+ aliens
- Exploring chemistry with Mentos and soda
- Wearing our best space and alien costumes
- Swimming everyday
- Constructing NASA rocket ship models
- Learning about and drawing constellations
- Celebrating the Purple Spirit Team’s win as well as our weekly camper award winners!
