

## WELCOME TO THE UNIVERSITY OF DAYTON FAMILY!

We are so excited that you have joined our Catholic and Marianist community and have put your trust in us to help guide your academic journey. At UD, we want to become your extended family and create a strong network of support for you. In the Office of New Student Programs, we're here to support your transition and answer any questions you have as orientation approaches — and beyond.

Whether you are leaving home for the first time, commuting from a short distance away, or transferring from another university, this experience can be exciting and challenging for everyone involved, so we worked hard to design an orientation program that allows you to make friends and have fun while preparing you for academic engagement and success. We invite you to take advantage of the many resources, programs and leadership development opportunities our office provides, and truly immerse yourself in Flyer life to make the most of your college experience here at UD.

This brochure is a guide to help prepare you for your arrival to campus. We designed it to provide you with an overview of what you and your family can expect to experience before, during and after orientation. For your convenience, this brochure is divided into the programs and services provided by our office:

- New Student Programs Quick Facts
- Camp Blue
- Early Drop-off
- Move-in Day
- Fall New Student Orientation (NSO)
- Fall Parent and Family Orientation
- WoW (Weeks of Welcome) and Family Weekend

New Student Programs is going green, so after reviewing the information in this brochure, we invite you to visit and become familiar with our website — [go.udayton.edu/nso](https://go.udayton.edu/nso). This is where you will find the most up-to-date details, schedules, links to forms and our mobile NSO schedule app (Guidebook App). Our website is a valuable and time saving one-stop shop that enables you to find answers to your questions without having to take time out of your busy day to call. We also request that you begin to check your UD email and Porches accounts regularly. **Major orientation related updates will only be communicated electronically from this point forward.**

If you have any questions, please feel free to reach out to us at [nso@udayton.edu](mailto:nso@udayton.edu) or 937-229-2229 during University business hours (M– F, 8:30 a.m – 4:30 p.m.).

On behalf of the New Student Programs staff, we look forward to serving you.  
Safe travels and see you soon!

## QUICK FACTS:

### FIRST-YEAR STUDENTS

UD's first-year class is composed of domestic and international students, and the vast majority will live on campus. However, there is a group of commuter students who live at home and commute to school from a short distance away. The orientation program is designed to help you build community in your orientation team, which is built around similar areas of academic study, and in your orientation small group, which is determined by where you live or if you commute. During small group meetings, you'll learn more about UD's "Commitment to Community" and discuss issues of interest to you. Residential students will meet their resident assistant (RA) and learn about community living expectations. Commuter students will meet the commuter adviser, check out the commuter lounge and learn about the Commuters on Campus organization.

### TRANSFER STUDENTS

Transfer students are students who join the UD family after having attended another school or university. Like first-year students, you are required to participate in an orientation program. But because you have attended some college prior to arriving at UD, you'll have the option to choose between one of two orientation experiences:

- Transfer Program (in-person experience)
- Online Transfer Orientation (virtual experience)

Like NSO, the transfer orientation options support your transition to UD and are designed to welcome and acclimate you to campus and Flyer life.

### INTERNATIONAL STUDENTS

The Center for International Programs (CIP) is the primary contact and point of service for all international students at UD. However, international students who are classified as first-time, first-year students are required to attend NSO in addition to any other transition programs required by CIP.

### PARENTS AND FAMILIES

In addition to family orientation, New Student Programs organizes and hosts UD's Family Weekend. We invite all family members to return to campus and experience UD community spirit firsthand. Families can spend some quality time with their student while attending a variety of events.

## STUDENT LEADERS

Our office takes great pride in being a source of student leadership development. We employ, train and develop more than 80 student leaders during the course of an academic year. We have three levels of leadership opportunities and encourage any student interested in enhancing their leadership skills while giving back to new students, their families and the UD community to apply and join our team. The recruitment process begins each fall semester and includes an application and interview. Contact our office for more detailed information.

# TRANSFER STUDENT ORIENTATION

## FALL ORIENTATION OPTIONS

As a transfer student, you are required to participate in orientation, however you have the option to choose which orientation experience you would like to participate in — the in-person transfer program or the online transfer orientation.

### OPTION 1: The Transfer Program (in person experience—**highly recommended**)

The Transfer Student Orientation program (TSO) is separate from NSO but runs concurrently and is designed specifically to meet your needs. Like NSO for first-year students the program supports your transition by helping to welcome and acclimate you to campus and Flyer life. You are welcome to bring up to two guests with you on Sunday.

#### WHAT TO EXPECT:

- At check-in you and your registered guests will receive your nametag and meet the New Student Programs staff.
- You will receive a formal welcome from the University administration and participate in the new student pinning ceremony.
- You will review the schedule, participate in breakout sessions, and learn about the many activities available for you to participate in during the next several days, including transfer team times.
- Your guests will attend most sessions with you. There is a breakout session designed specifically for parents and family.
- New Student Programs is going green and will only print a limited number of paper copies of the fall orientation schedule. You are encouraged to download the NSO Guidebook App to use throughout the four-day experience.

#### QUICK FACTS: TRANSFER PROGRAM 2015

- Date: August 23–25
- Registration Opens: July 7
- Registration Closes: August 20
- Guidebook App available for downloading: August 4

#### KNOW BEFORE YOU GO ...

##### Books

- Purchased online: July 13th through August 7th and after September 6th ([www.udayton.edu/bookstore](http://www.udayton.edu/bookstore)).
- Shop in-store ONLY: August 8th–September 5th
- Prior to July 13th: only textbooks required for summer courses will be available for purchase.
- For more detailed information visit their website or call 937-229-3233.

##### Meal Plans

- Students residing in a traditional residence hall (Marycrest, Founders, Stuart, V.W. Kettering, and Marianist) are required to purchase a Meal Plan.
- Students in the apartment system or University houses and students that commute may elect to purchase a Neighborhood Meal Plan (usable in Dining Services' locations only).
- For more detailed information visit [udayton.edu/diningservices/mealplans](http://udayton.edu/diningservices/mealplans) or contact dining services at 937-229-2441.

##### Health Insurance and Immunizations

- All incoming students born after 1956 (domestic and international), are required to submit proof (dates) of two MMR vaccines (measles, mumps and rubella), and do a tuberculosis (TB) screening. Students may go to [udayton.edu/studev/healthcenter](http://udayton.edu/studev/healthcenter) to download and print the required form for completion by a health care provider.

##### Students with Disabilities

If you have a disability you are strongly encouraged to contact the Office of Learning Resources (OLR) prior to arriving on campus in order to learn about the types of assistance available to you at UD. You can also visit the OLR on the web at [go.udayton.edu/learning](http://go.udayton.edu/learning).

##### Move-in (If you are living in UD Housing facilities)

- Begins at 8 a.m. on Sunday, August 23.
- You will receive specific instructions about where to report and how to receive your keys from Housing and Residence Life in late July.
- If you have any housing and/or move-in related questions, contact Housing and Residence Life at 937-229-3317.

##### Orientation Service Project 2015 — Children's Book Drive

- Don't forget to bring a book suitable for a K– 3rd grader. Donations benefit Read On Dayton! ([learntoearndayton.org/read-on](http://learntoearndayton.org/read-on))

##### Parent and Family Year Round Support

- The Offices of Student Success and Parent Engagement (OSSPE) and New Student Programs are here to serve your parents and family members and assist them with any questions or concerns that arise once orientation is complete. The OSSPE staff can be reached by calling 800-427-5029, option 2, or emailing [success@udayton.edu](mailto:success@udayton.edu).
