## **INTRODUCTION FROM THE CENTER FOR STUDENT INVOLVEMENT (CSI)**

---

Student organizations can provide a great opportunity to connect classroom learning to an outside environment. They often foster the development of leadership skills and integrate experiences of working in community with people from various backgrounds. This book will serve as a guide to both students and advisers as they gather around the table and continue to create positive change in our student organizations, the University of Dayton, the greater Dayton community, and beyond.

The Student Organization Resource Guide was created to help inform student organizations and their advisers about the guidelines, policies, and procedures regarding hosting events, travel, finances and general student organization operations. In collaboration with several campus partners, the Center for Student Involvement has continued to adhere to best practices with regards to safety and security, institutional and organizational reputation, and value congruency with organizational mission. It is the hope of the Center for Student Involvement that all recognized student organizations feel a sense of responsibility to influence, lead, and challenge their fellow organization members to create positive change that is congruent with the University of Dayton's *Commitment to Community*, as defined by our Marianist mission and identity. As students and advisers work diligently to help navigate their organization to pursue excellence, the Center for Student Involvement is available as a resource and partner throughout the journey.

### **MISSION**

---

The Center for Student Involvement is committed to collaboration with students and the campus community to co-create opportunities that complement the academic experience. Guided by the Marianist charism, we provide an inclusive and engaging environment where we foster the holistic development of students as they become leaders and active participants in the University of Dayton community and beyond.

## COMMITMENT TO COMMUNITY

---

The Catholic and Marianist vision of education makes the University of Dayton community unique. It shapes the "warmth of welcome" we first experience when we arrive on campus and the family spirit we treasure long after graduation. It calls us to academic rigor integrated with faith and life. It challenges each of us to take up the hard work necessary to build the intellectual, spiritual, religious, moral, physical, and social dimensions of our educational community.

Commitment to Community highlights three Catholic and Marianist principles for learning and living in community and the seven key habits that are derived from them. You are called to understand these principles and to develop these habits. Doing so will strengthen our educational community and will prepare you to live as a mature member of society.

### **Principles of Community Living at UD**

- *Community is Essential for Learning*
- *The Dignity of Every Person*
- *Solidarity and the Common Good*

### **Habits for Community Living at UD**

- *Treat yourself with respect*
- *Treat others with respect*
- *Be honest, truthful, and live with integrity*
- *Develop your faith life*
- *Integrate learning and living at UD*
- *Take responsibility for self and community*
- *Practice service in leadership*

The above are a set of values that all students and student organizations at the University of Dayton should strive to incorporate and enact as part of their educational and personal experience during their tenure as an undergraduate. It is expected that all student organization events align with the Commitment to Community and mission of the University of Dayton. For more information about each of these values and principles, please refer to the Commitment to Community document found at [go.udayton.edu/c2c](http://go.udayton.edu/c2c).

## **STUDENT ORGANIZATION LEADERSHIP COMPETENCIES**

---

Participation in student organizations is a great way to compliment your interests and passions with the development of vital skills and competencies needed to become a positive, ethical, inclusive member in the community. The Center for Student Involvement believes your engagement within student organizations can benefit and impact your co-curricular experience and empower you to become a socially conscious leader.

Students who participate in student organizations at the University of Dayton will gain knowledge, skills, and experiences in the following areas:

### **Intrapersonal**

This competency relates to one's capacity to gain and maintain an evolving awareness of self. Exploration of this competency requires personal reflection, self-assessment, a commitment to values congruence, and integrity. Self-appraisal and understanding are critical to advancing one's intrapersonal competency.

### **Interpersonal**

This competency relates to one's capacity to interact and effectively maintain positive relationships with others. This includes identifying and challenging negative behavior, valuing others' perspectives, seeking opportunities for collaboration, managing conflict, being inclusive of others, and communicating effectively.

### **Citizenship**

This competency relates to one's capacity to address, engage, and advocate for positive change regarding issues or inequalities that diminish and negatively impact local, national, and global communities. Active participation is critical to advance this competency.

### **Practical Skills**

This competency relates to knowledge and skills required to become a conscious, analytical, and confident leader. To excel in this competency, one will need to continually find opportunities to practice each of the following: event planning, risk management, budgeting, delegation, follow-through, goal setting, and strategic planning.

The Center for Student Involvement is committed to helping student leaders develop and thrive in these competency areas. Opportunities to develop and demonstrate the competencies are built into our educational offerings, including our event registration process, organization checkpoints, email communications, and our in-person and online educational sessions.

## **IMPORTANT DATES FOR ALL ORGANIZATIONS**

---

---

### **PRESIDENTS MEETINGS**

---

Presidents (or their designee) for all recognized student organizations (and those looking to start a new organization) are required to attend a Presidents Meeting each semester. Each semester, there is new information that is important for each President to learn and share with their student organization.

Fall Meeting: August 29, 2018—KU Ballroom, 6-8:00pm  
Spring Meeting: January 29, 2019—KU Ballroom, 6-8:00pm

### **RECOGNITION AND RE-RECOGNITION**

---

The recognition deadline is the date for all NEW student organizations wishing to become recognized by the University of Dayton. Recognition happens twice a year (once in the fall and once in the spring) and all paperwork and requirements need to be completed by the following dates in order to be fully recognized. The process for recognition is outlined on page 7 of this guide.

New organizations wishing to be recognized for fall: May 31  
New organizations wishing to be recognized for spring: December 31

Currently recognized student organizations need to apply for re-recognition each year. This process occurs at the end of the spring semester and requirements will be communicated by the Center for Student Involvement.

Re-recognition timeline: April 1, 2019 – May 31, 2019

### **STUDENT ORGANIZATION CHECKPOINTS**

---

Student organizations are expected to complete four checkpoints (two in the fall and two in the spring) throughout the year to remain active and recognized by the University of Dayton. Each due date will be communicated by the Center for Student Involvement and there will be a two-week timeframe to complete each checkpoint from the date the checkpoint opens.

Each checkpoint will have questions that correspond to different aspects of leading student organizations. These include reflections on the successes and challenges of programming and planning events, recruiting and engaging membership, leadership transitions, financial management, and other relevant areas of operating and running a successful student organization.

Failure to complete the checkpoints could result in a loss of organizational recognition. Organizations that do not submit checkpoints by the required date will be marked as noncompliant and their organization's portal could become disabled until the corrected steps are taken.

Record these students' names, e-mails (udayton.edu account), and telephone numbers to include on the online registration form (*1850*).
4. Select a full-time University of Dayton faculty or staff member who is willing to serve as an adviser to your organization. For adviser tips, please see information on the following page.

## SELECTING AN ADVISER

---

When choosing an adviser to help support your organization's success and longevity, please consider the following and have a conversation to review the needs of the organization along with the availability and investment of the potential adviser.

### Guiding Considerations:

1. What amount of time is your organization expecting from an adviser to devote to the organization?
  - a. Talk about expectations of both parties to ensure the needs of all are met and understood.
2. Do their personality and/or interests mesh well with your organization's mission, vision, and values?
3. Is the adviser potentially able to be a coach/mentor when appropriate or needed while still allowing you (the students) to lead?
4. Are there any risk(s) associated with organization's events or activities that may require additional training or knowledge from potential adviser?

Additional resources for student organization advisers can be found under the "Student Life" tab at [go.udayton.edu/involvement](http://go.udayton.edu/involvement). Remember, this person must have an @udayton.edu e-mail address and be employed/listed as full-time faculty or staff by the University of Dayton.

---

## ADVISER EXPECTATIONS

---

Serving as an adviser to a recognized student organization at the University of Dayton is an important responsibility. The adviser serves a critical role in mentoring students, helping student leaders develop goals for themselves and the organization, and providing continuity from year-to-year for the group. Student organizations at UD are extensions of the institution, utilizing the University's name and representing the University at all times. As a Catholic, Marianist institution, it is vitally important that student organizations and student leaders reflect this identity by reflecting on their mission, and aligning their activities, behaviors, and practices with their mission.

These expectations will assist advisers in effectively working with their student organization(s).

---

## ACCOUNTABILITY

---

The 2018-19 Student Organization Resource Guide provides information about expectations for student organizations, registering events, travel, safety, fundraising, events with minors, events with alcohol, contracts, imprinting, political activities, email accounts, websites, social media, trademarks and logo use, Standards of Behavior, hazing prevention, and resources available. Refer to this guide as needed, and encourage students in the organization(s) you advise to become familiar with all of the information provided. It is helpful for advisers to review event details or any items that student organizations want to have imprinted **BEFORE** they get registered in *1850*.

---

## COMMUNICATION

---

Meet regularly with student leaders in the organization(s) you advise, and ask questions about the organization, what activities they're planning, etc. Advising is different from supervising or directing, and ongoing communication will help you develop relationships with members of the organization. It is also recommended that all faculty and staff serving as a student organization adviser keep their supervisor or department chair informed about their voluntary role advising a group. Maintain open communication with CSI, and please contact us with questions.

---

## FINANCES

---

Know how the student organization is fundraising, spending money, and accounting for funds. Continue to ask questions and utilize the Center for Student Involvement as a resource. We are actively working to assist organizations with financial practices that are in alignment with institutional practices.

---

## ADVISER EDUCATION

---

If an adviser of an organization would like to learn more about a topic or meet in person, the staff of the Center for Student Involvement will be more than happy to help your organization with any of its needs.

- *1850* Software/SGA Funding/Special Interest Housing
- Risk Management (events with alcohol, hazing, travel, etc.)
- Fundraising/Finances/Budgeting
- Leadership and Officer Transitions/Communication/Minors on Campus
- Re-recognition Process

## POLICIES/PROCEDURES OF ADVISERS

---

In addition to the information provided in the Student Organization Resource Guide, all student organization advisers have the following requirements:

### 1. **Mandatory Reporter**

To make it easier to know what you need to do, the University has adopted a policy that defines ALL EMPLOYEES as mandatory reporters EXCEPT doctors, counselors, and ordained members of the clergy acting in that capacity. As a mandatory reporter, if you become aware of possible discrimination, including harassment, you MUST promptly inform the University within one (1) business day by contacting the Title IX/504 Coordinator and Equity Compliance Officer or one of the deputy coordinators. Reporting is required regardless of whether the discrimination involves students, faculty, staff, or visitors to the University.

You may report in person, by email, by phone, or electronically by using the [Harassment and Discrimination Incident Report Form](#) found on the Nondiscrimination Resource Center webpage located at: [go.udayton.edu/nondiscrimination](http://go.udayton.edu/nondiscrimination) under the “Complaint, Reporting and Appeal Forms” tab. This form is also accessible using the Nondiscrimination/Title IX link located in the footer of every University webpage. Mandatory reporters must identify themselves when reporting an incident to the Title IX/Section 504 Coordinator and Equity Compliance Officer. Anonymous reporting does not satisfy an employee’s duty to report incidents under this policy.

### 2. **Campus Security Authority**

Due to the nature of your contact with students while serving as a student organization adviser, you are required to annually complete the Campus Security Authority (CSA) training provided by Public Safety. CSAs are required to report crimes reported to them to Public Safety. The annual training helps CSAs to comply with that responsibility under Clery (Jeanne Clery Disclosure of Campus Security Policy Act). This training can be found on the Public Safety website, under *Campus Security and Fire Safety Report (Clery)*. <https://udayton.edu/publicsafety>

### 3. **Confidential Reporting of Concerns or Incidents**

The University of Dayton is committed to the highest ethical standards of conduct. To help maintain those standards, the University seeks the help of the University community and its visitors to raise concerns and report in good faith any activity that an individual reasonably considers to be unethical, illegal, fraudulent, or in direct violation of University policy. Individuals should report such conduct, regardless of whether or not they are personally involved in the matter.

If an individual wishes to file a report anonymously, they may do so through the University of Dayton Confidential Reporting Line, provided by a third-party, at [www.udayton.ethicspoint.com](http://www.udayton.ethicspoint.com) or 1-855-550-0654. However, the effectiveness of any inquiry may be limited when an individual has chosen to not be identified.

# STUDENT ORGANIZATION STANDARDS OF BEHAVIOR / ACCOUNTABILITY

---

All recognized student organizations MUST represent the campus community in a way that reflects the values that the University of Dayton espouses. This means:

- All student organizations, while on- and off-campus, are responsible for following the *Student Standards of Behavior* and *Code of Conduct*. Discipline issues that arise out of student organization behaviors will be handled through the Office of Community Standards & Civility (CSC) and the Center for Student Involvement. Information on student organization conduct can be found beginning on page 40 of the *Student Standards of Behavior and Code of Conduct*. If it is determined that individual students have also violated the policies, they will also be held accountable for their actions.

## Student Organization Leader Conduct

- Leaders and Advisers of student organizations are expected to take an active role in the choices their organization makes while on- and off-campus. It is also expected that all individuals involved in a student organization know University policies and Center for Student Involvement guidelines. If a student organization leader feels the group is participating in or exhibiting behavior that is inappropriate, it is in the best interest of the organization for the leader/adviser to intervene, **knowing you are fully supported**. You are also encouraged to seek assistance from the Center for Student Involvement staff.
- While holding a leadership position is important to the overall development of the student, students are here for academics and student leaders are expected to maintain good academic standing.
  - Student Leaders must maintain a cumulative 2.5 GPA or higher.
- In accordance with the *Student Standards of Behavior* and *Code of Conduct*, all students serving as an elected or appointed officer/leader must be in good disciplinary standing with the University to hold and/or maintain their office. This means:
  - “A student on probation is not permitted to serve in select leadership positions in student organizations as defined in the Student Organization Resource Guide, participate in the recruitment/pledge/initiation process of any fraternity/sorority and may experience additional restrictions and loss of privileges from varying programs and events as specified in the policies of such activities” (*Student Standards of Behavior and Code of Conduct*, page 28).
  - The definition of a leadership position as it relates to this policy is as follows: A leadership position includes, but is not limited to the President, Vice President (or VP of specific area), Social Chair, Risk Management Chair, and Treasurer.
    - Understanding that every student organization is structured differently, the Center for Student Involvement holds final determination as to what constitutes a leadership position and the limitations of participation in the organization.
  - Students who are required to step down from leadership positions within a student organization will not be permitted to reserve campus meeting spaces, plan events in *1850*, or attend risk management meetings related to high-risk events. These students should not serve in a volunteer capacity related to new-member education or orientation. Additional restrictions may apply.

## STUDENT ORGANIZATION CONDUCT EXEMPTION CLAUSE

---

In an effort to better serve our student organizations and support positive behavior, the Center for Student Involvement, along with the Office of Community Standards and Civility, encourages students to promote a safe and healthy environment. This is done by proactively and immediately reporting any possible, imminent, or occurring violation(s) of Center for Student Involvement guidelines, the Student Code of Conduct, or University policies at registered or unregistered Recognized Student Organization events by members or guests of the organization. Organizations who qualify for conduct exemption will not be held responsible for violations of the Code of Conduct unless it is deemed that the conduct was egregious in nature. In order to qualify for a conduct exemption, an organization must demonstrate that they:

1. Took immediate and appropriate action to successfully end all possible, imminent, or occurring violations of Center for Student Involvement guidelines, the Student Code of Conduct, and/or University policies.
2. Notified appropriate University officials in the moment.
  - a. Could include: adviser, CSI staff, Public Safety, Community Standards & Civility staff
  - b. If you are unable to reach your adviser and the incident does not rise to the level of notifying police or Public safety, email [studentorgs@udayton.edu](mailto:studentorgs@udayton.edu)
3. Documented the incident, including a detailed description of what happened, all involved persons, timeline, how you responded, through intervention, prevention, or otherwise, who you notified and when, any follow-up that has occurred to this incident, and any additional pertinent information.
4. Schedule an in-person meeting with CSI staff within 1 business day of incident (Monday for any weekend incident).

Eligibility for a conduct exemption will be made by the Executive Director of the Center for Student Involvement and the Dean of Students' Office.

## HAZING & HAZING PREVENTION

---

### Hazing Definition per Student Code of Conduct

The following actions or situations (planned or executed) by or against an active member, associate member, new member, pledge or potential member of an organization or group (see terms) are prohibited regardless of location, consent or intention:

- a. Intentionally, forcefully, or recklessly endangering the physical health or safety of student attempting admission into or affiliating with any group or student organization.
- b. Intentionally, forcefully, or recklessly endangering the mental health or safety of student attempting admission into or affiliating with any group or student organization. Inflicting physical or mental harm, distress, anxiety, or that which may demean, degrade, embarrass or disgrace any person.
- c. Setting a small group of members (or potential members) apart from other members not specifically sanctioned or mandated from their national organizations and/or the Center for Student Involvement's expectations, values, ritual or policy.

*For the University Policy on Hazing see <<https://udayton.edu/policies/studentdevelopment/hazing-policy.php>>.*

*Also see the Hazing Procedure and Resource Guide in the online Student Handbook at <[https://udayton.edu/studev/dean/student\\_handbook.php](https://udayton.edu/studev/dean/student_handbook.php)> for definitions, procedures and information on how to report a violation.*

### Reporting Hazing and Contact Numbers for Assistance

- **Emergency:** In a medical or other emergency of any kind, immediately dial 911 or contact Public Safety on campus at 937-229-2121.
- **Non-Emergency:** For additional assistance and in cases of a non-emergent situation, please contact the University of Dayton through any one of the following offices.
  - a. Public Safety at 937-229-2121
  - b. Office of Community Standards & Civility at 937-229-4627 or by submitting an online report at [udayton.edu/studev/civility](http://udayton.edu/studev/civility)
  - c. Dean of Students Office at 937-229-1212
  - d. Assistant Vice President for Leadership Development 937-229-2229
  - e. Center for Student Involvement at 937-229-3333
  - f. Fraternity and Sorority Life at 937-229-4114
  - g. Division of Athletics at 937-229-4404
  - h. Recreational Sports/ Sport Clubs at 937-229-2731
  - i. Speak to a Resident Assistant or other staff member in an on campus living area
- **Other:** When an uncertain situation arises at any point, contact your group/organization adviser, who can be a liaison and connect you with additional resources. They may help you report emergencies or non-emergencies to appropriate authorities.

### Procedural Considerations

- **Charters/Constitutions and Bylaws**  
Requiring or implying requirement to participate in any act that violates any of the following is prohibited:
  - The University Code of Conduct;
  - The Center for Student Involvement policies/guidelines for recognized student organizations;
  - The local/state/federal law;
  - The student organization's charter/constitution/by-laws;
  - The constitution /by-laws of the National Pan-Hellenic Council, National Panhellenic Conference or North-American Interfraternity Council
  - The Division of Athletics, NCAA, sport clubs, or intramurals.

- Concurrent Legal Charges  
Many of the violations of the Code of Conduct are also violations of Ohio law. However, students are not generally charged with both the specific Code of Conduct and Laws & Statutes unless there is a possible law violation that is not covered elsewhere in the Code of Conduct. Students may find themselves charged through the criminal justice system for incidents that have also been attributed to violations at the University. In these cases the University will generally proceed with the Student Conduct System concurrently with the legal system. The University does not offer legal advice/counsel to students facing criminal charges.
- Individual Student Charges  
In cases where the activity is performed by an individual member of the student organization, the organization as a whole may be held responsible. Individual students may be charged through the conduct process as well. Delegating or requesting another group or individual to perform the act in your place will bring charges of hazing to the requesting group as well as the group or individuals performing the act, regardless of affiliation. Organizations who report incidents where an individual or small group of individuals conduct, participate, or engage in hazing or hazing-like activity may be eligible for the Student Organization Conduct Exemption Clause (pg. 12).
- Safety Concerns for Students who Report Hazing  
Students who report possible hazing incidents will not be subject to individual charges of policy violations by the University if those violations were a direct result/cause/effect of the hazing. Additionally the University will work to make reasonable accommodations so that the reporting party can continue their academic pursuits. These accommodations include but are not limited to alternative housing, no contact orders, and academic accommodations. Any student who is concerned for their safety either due to ongoing hazing or in fear of retribution should consider speaking with a University staff member to gain an understanding of the services that can be made available in their situation.

### **Additional Resources for Hazing Prevention**

As individuals, groups, and organizations, there is a University expectation to prevent situations that encourage or engender hazing behaviors. Below is a list of additional resources that can be utilized to help assist with any programming or education your organization may be interested in. This can also be utilized as a contact list to report any possible hazing behavior.

- HazingPrevention.org: A national organization dedicated to its mission to empower people to prevent hazing in college and university student groups <hazingprevention.org>.
- StopHazing.org: A comprehensive site for current literature and media available to students, as well as updates on state laws that are applicable for individuals and groups. <stophazing.org>.
- Group/organization adviser: Recall that as groups and organizations have advisers who are trained to assist in education, prevention, and response, your adviser can be called upon to help interpret appropriate practices for all individual and group/organization behavior.
- Community Standards and Civility: Staff members from Community Standards and Civility are trained in hazing prevention measures. Contact the office at 937-229-4627 to request to speak with someone to schedule a presentation for a group/organization meeting on the topic of hazing prevention.
- Center for Student Involvement: Staff members from the Center for Student Involvement are trained in hazing prevention measures, inclusive of those who are specifically trained to work with values-based Greek organizations local to the University of Dayton in the Interfraternity Council (IFC), National Pan-Hellenic Council (NPHC) and the National Panhellenic Conference (NPC). Contact the Center for Student Involvement at 937-229-3333 to request to speak with someone to schedule a presentation for a group/organization meeting on the topic of hazing prevention.

## GOVERNING DOCUMENTS

---

It is strongly advised that student organizations revise and approve their governing documents at least one time during the academic year. If the organization is not tied to an inter/national affiliation, officers should take the time to review the documents to ensure that officer job descriptions, mission statements, the organizational purpose, and financial information is up-to-date. If the organization is tied to an inter/national affiliation, communication with advisers and the headquarters is needed when making changes to governing documents. The Center for Student Involvement requires each organization to review their governing documents at minimum, every three years. In addition, those changes should be uploaded in *1850* in your organization's portal for accurate record keeping.

## RE-RECOGNITION PROCESS (CHECKPOINTS AND ANNUAL RECOGNITION)

---

Checkpoints and re-recognition paperwork are required of all student organizations four times a year. Re-recognition is a time for student organizations to update group information, reflect on organization challenges and successes, and document organizational progress. Re-recognition is completed online through the *1850* software.

### **Student Organization Checkpoints**

Student Organization Checkpoints are required four (4) times throughout the year (two in the fall and two in the spring). The Center for Student Involvement will communicate to organizations when each checkpoint is due. It is asked that each organization does not complete the checkpoints before communicated with to ensure the form is current and has the proper questions. Organizations must complete all four checkpoints throughout the year to remain in good standing and to be re-recognized for the following academic year.

### **Re-Recognition (End of Academic Year)**

At the culmination of each academic year, every student organization that wishes to remain recognized by the University of Dayton must complete the re-recognition process through the Center for Student Involvement. Re-recognition includes the following:

1. Review of organization profile information and submission of re-recognition application via *1850*. This requires the organization to update any outdated information and ensure all information is accurate.
2. A current and accurate roster of all membership.
3. Updating organization leadership positions in *1850* using the position feature.
  - A. All officers and advisers must complete the required positions paperwork in order to be approved.
4. Completion of final student organization checkpoint.

Any additional requirements or information needed by the Center for Student Involvement will be communicated before the re-recognition process begins to ensure every organization is made aware of and can fulfill the additional requirements.

# STUDENT ORGANIZATION EVENT EXPECTATIONS & REGISTRATION REQUIREMENTS

---

## *1850* SOFTWARE

---

*1850*, powered by Campus Groups, is the University's online database that stores all student organization information. This database should be the source for all internal and external information regarding your organization and is the primary source of information for any student looking to join an organization on campus. Every student at the University of Dayton has access to *1850* through Porches. It is vital that you keep all information current and accurate not only for CSI, but for any prospective member as this may be their first impression of your organization.

## REGISTERING AN EVENT

---

All of your organization members should become familiar with *1850* as this is the main source of communication with the Center for Student Involvement. Below is a quick guide for registering events via *1850*. You can also go to the Center for Student Involvement website <[go.udayton.edu/involvement](http://go.udayton.edu/involvement)> to watch interactive video tutorials and learn more about what *1850* can do for your organization.

No matter how your organization is structured, it is the entire organization's responsibility (not just the member who registered the event) to hold one another accountable to CSI's event registration process. The Center for Student Involvement will want to see that your event is congruent with the values and mission of our Catholic, Marianist institution, the mission and vision of your organization, and that reasonable measures have been taken to reduce any risk(s) related to the event. Some events may require the students involved in planning to meet with multiple campus constituents to help ensure that the event is in line with all university policies and procedures. The Center for Student Involvement recommends that your organization start registering your large-scale events (at least) one month in advance. For smaller events, 1-2 weeks planning is typically sufficient. Additional restrictions may apply. See the event FAQs for more details.

**All events, activities, and meetings planned by a student organization MUST be registered through *1850*. Failure to register these activities could result in disciplinary sanctions.**

## EVENT REGISTRATION PROCESS (VIA *1850*)

---

### *A FEW REMINDERS REGARDING EVENT REGISTRATION:*

1. DO NOT WAIT UNTIL THE LAST MINUTE TO REGISTER AN EVENT!
  2. JUST BECAUSE YOUR EVENT IS REGISTERED DOES NOT MEAN IT IS APPROVED. THE EVENT CANNOT PROCEED AND THE ORGANIZATION **CANNOT ADVERTISE OR PARTICIPATE IN THE EVENT** UNTIL APPROVAL HAS BEEN GRANTED FROM CSI.
  3. STUDENTS CANNOT RSVP TO EVENTS OR SIGN RELEASE AND AGREEMENT FORMS UNTIL THE EVENT IS REGISTERED AND APPROVED BY CSI. PLEASE PLAN AHEAD.
  4. STUDENT ORGANIZATIONS SHOULD PRACTICE SAFE AND HEALTHY BEHAVIORS AND DECISION-MAKING WHEN HOSTING EVENTS.
-

## EVENT FAQ'S

---

### Q. What is considered an event and should be registered?

A. An event is anything that your organization, an individual in your organization, or a group of individuals from your organization are representing, hosting, or sponsoring. **Organization meetings are considered events, and MUST be registered.**

- Ask yourself, am I or are we participating in this as members of our organization or are we doing this as individuals with similar interests?
- How does this look or appear to the average student or community member?

### Q. If I, another individual, or group of individuals from our organization are attending an event another student organization is hosting or sponsoring on or off campus, does it have to be registered?

A. Yes, if you are representing your organization or anyone from your organization is representing your organization in any way (participating, speaking, etc.) then it needs to be registered in *1850* and approved through CSI.

### Q. If there is a gathering at my house and the majority of individuals are from my organization, this is not an event, correct?

A. That depends; how is it going to be perceived if there is an emergency or incident that occurs and members are there? Did you advertise that the organization was having a social or gathering? Are you gathering because you are members of the same organization? *How would a guest at the event reply to a question regarding the location and nature of the event?* These types of questions can be the difference in determining an event needing to be registered or if the event should occur. **When in doubt, it is best to ask!**

### Q. My organization is imprinting t-shirts internally for our organizational members. Does this need to be registered?

A. Yes, **all** imprinted items MUST be registered and approved using the “Imprinting Form” prior to printing. There is a form online through *1850* in every organization’s portal that lays out the steps needed to get your organization’s swag approved.

### Q. Are there any times or restrictions where events cannot occur during the academic year?

A. All student organization events (except for study tables) are prohibited during:

- Study days, weekends before final exam periods, and finals exam weeks
- The eve of the Stander Symposium, the day of the Stander Symposium, and during the “Celebration of the Arts”
- During the Fall Leadership Conference and some additional campus-wide events deemed by the Center for Student Involvement.
- Student organizations wishing to host events on campus on St. Patrick’s Day (March 17) and Halloween (October 31) may only host events open **ONLY** University members (no outside guests will be permitted on campus). This restriction includes the weekend before or following depending on what day the holiday falls on. No events with alcohol are permitted on St. Patrick’s Day or Halloween, regardless of location. More information will be provided by CSI leading up to these dates.
- Events with alcohol are only permitted on Fridays and Saturdays and must be approved by CSI.
- The Center for Student Involvement reserves the right to place additional event restrictions during specified times throughout the year.

**Q. Are there restrictions related to initiating new members into my organization?**

A. Initiation into campus organizations must be registered as an event with the Center for Student Involvement and consistent with the stated purposes of the organization, any guidelines offered by the inter/national organization, and the educational mission of the University of Dayton. Any activities that may be construed as hazing are specifically and explicitly prohibited. For more information related to hazing and hazing prevention, please see pages 31-32 of this Resource Guide.

**Q. How can my organization get information on who’s planning to attend my event?**

A. Events that are open either to organization members or for the entire UD community have the ability to collect RSVPs. This is extremely helpful when planning events that involve specific number of things (e.g. food, seats on bus, T-shirts, etc.).

**Q. How does my organization take attendance at my event?**

A. Organizations can take attendance by utilizing *1850* and the “RSVP feature” and “participation” with the registered event. Organizations can swipe students into events using a card swiper available at no cost through the Center for Student Involvement. Once a student or member has “checked in,” all post forms attached to the event will be sent automatically.

---

**GUEST SPEAKER APPROVAL GUIDELINES**

---

A “Guest Speaker” is anyone external to the University of Dayton (not current student, faculty or staff members).

A Recognized Student Organization member must complete and submit the event registration form online at least 4 weeks prior to the event date and provide all information requested about the intended guest speaker

The Executive Director of the Center for Student Involvement (EDCSI) will complete a preliminary review and approve all academic organization requests that are directly related to their field of study (with organization adviser's approval). The EDCSI may, if additional information is needed, consult the following areas for feedback.

- |                                   |   |
|-----------------------------------|---|
| Campus Ministry                   | Public Safety/Chief of Police             |
| Media Relations                   | Dean of Students                          |
| Legal Affairs                     | Audit and Risk Compliance                 |
| Government and Regional Relations | Adviser(s) to the requesting Organization |

The consulted committee will consider the answers to the following questions when making a recommendation:

- Is the speaker a known expert in the field?
- Could the controversy of a particular speaker over-shadow their talk topic?
- Context matters-what/where was their last event?
- What is their social media presence?
- What is the history of the person on other campuses? Our campus?
- What is the potential the impact to UD’s reputation (when it goes right or wrong)?
- Where is the speaker or event venue?
- What are the security needs and costs for this event?
- Is the event for students only or is it open to the community?
- How does the speaker/theme of the event advance the educational goals of UD as a Catholic and Marianist university?
- Does this event accord with the University's Political Activity Policy?

At the conclusion of the review, the recommendation will be submitted to the Vice President for Student Development (VPSD) who will make a final decision. If it is determined further review is warranted, the

VPSD will consult with the Provost and the President. Once a final decision is made, the VPSD will notify the Executive Director of the Center for Student Involvement who will notify the organization with a final decision within 2 weeks of the request submission.

## **FOOD SAFETY AND FOOD TRUCK GUIDELINES**

---

Food safety is a top priority when planning events. The following information should be carefully read before preparing and serving food to others.

### **What is Foodborne Illness?**

Foodborne illness often presents itself as flu-like symptoms such as nausea, vomiting, diarrhea, or fever. Many people may not recognize foodborne illness (food poisoning) at first sign of symptoms. It may be caused by bacteria or other pathogens in food due to not cooking food to proper temperature or the manner in which the food is served. Bacteria that cause disease are called pathogens. Most cases of foodborne illness can be prevented with proper preparation, cooking, and handling/serving of food.

### **How to Fight Foodborne Illness**

When preparing food for your special event, remember the following:

- **Keep it Clean!!!**—Wash hands and surfaces often as bacteria can spread on cutting boards, serving/prep utensils, and countertops!
  - Wash hands with soap and warm water before and after handling food, after using the restroom, or handling pets. Food service gloves (rubber gloves) should be used to ensure proper and safe handling and distribution of food.
  - Wash all cutting boards, dishes, utensils and counter tops with hot soapy water after preparing food—to sanitize you can use 1 tablespoon of liquid chlorine bleach to 1 gallon of water.
- **Separate**—Do not cross contaminate!
  - Always use clean cooking utensils and materials.
  - Use one cutting board for fresh produce (fruits, vegetables) and a separate cutting board for raw meats (fish, poultry, game).
  - NEVER defrost food at room temperature (use the refrigerator, microwave, or cold water).
  - Cook food immediately after thawing.
  - Sauces using marinated raw meat should not be used on cooked food.
- **Cook**—Cook to proper temperatures!
  - Use a food thermometer to check the internal temperature of meat, poultry, seafood, and other foods. For the safety of your friends and participants cook meat/seafood to at least an internal temperature of 165°F. This will help fight potential bacteria that can cause foodborne illness.
  - Check the temperature in several places to make sure the food is heated all the way through—wait for 10-15 seconds to insure an accurate reading.
- **Cover/Chill**—Refrigerate promptly, do not allow food to set out more than 2 hours for consumption!
  - Bacteria multiply rapidly between 41°F and 135°F—this is called the “Danger Zone”.
  - Don’t forget to keep cold foods cold and hot foods hot! Have a plan for keeping food at proper temperatures throughout event and handling/serving.
  - For more information, go to [www.fightbac.org](http://www.fightbac.org)
- For the full “Cooking for Groups—[food safety guide](#)” visit the Center for Student Involvement website.

### **Food Trucks**

- The usage and partnerships with local food trucks is allowed on campus but the following must be followed:
  - Food Trucks must be hosted by a recognized student organization.
  - Must be on public roads and must be legally parked.
  - Food trucks cannot use any University utilities and cannot plug into the electrical outlets.

- Vendors must have adequate licenses and documentation from Public Health for Dayton and Montgomery County.

## STUDENT ORGANIZATION TRAVEL

---

Student organizations are expected and required to uphold the University Student Standards of Behavior and Code of Conduct at ALL times. Student organizations traveling off campus to and from events are to abstain from behavior that is not reflective of their mission, vision, and values along with the University of Dayton and the Center for Student Involvement.

- All events with alcohol must be registered and approved as such. On trips without alcohol, members are not permitted to consume alcohol during any part of your organization's trip.
  - This applies to all organization members regardless of age.
  - This also applies to students who wish to separate from the group during a trip. The individual(s) may not leave the group and consume alcohol at any point during trip.
- The definition of an organizational trip is as follows: A trip where a recognized student organization is participating in any activity as an organization begins at the time the members leave the University of Dayton and concludes at the time the organization returns to the University of Dayton. Members are representing the University of Dayton and their organization at all times when on an organizational trip.
- If the trip is overnight, organizational members (individuals or as a group) may not participate in any behavior that violates the Student Code of Conduct or the expectations listed above. No overnight trips with alcohol will be approved.

---

## UNIVERSITY-FUNDED TRAVEL/BUSINESS

---

Students who will be reimbursed by a University department or ledger account must submit itemized receipts (not just credit card receipts) for all purchases that are to be reimbursed. Snacks, soda, water, etc. will not be reimbursed unless purchased as part of a meal. Please see the sponsoring department for additional considerations.

---

## DOMESTIC & INTERNATIONAL TRAVEL OPTIONS

---

To ensure that student organizations are appropriately prepared to travel, it is expected that planning takes place at least **two weeks** prior for domestic travel and at least **6 weeks** for international travel. For international travel, student organizations **must** work with CSI to contact the Center for International Programs and work with the staff to ensure proper planning for trips outside the continental United States. All off-campus travel for organizational purposes must be registered regardless of time and distance from UD or the number of students traveling.

- Ground Travel
  - Third Party Transportation—contracting a charter vehicle with a third party vendor who has insurance coverage.
    - This is a requirement for all events/trips that involve alcohol and do not qualify for a walking exception.
  - University Vans/Vehicle—borrowing or renting a University vehicle for any registered University event/trip.
    - All organizations must have enough drivers that have completed the proper driver certification process through the office of Environmental Health and Safety/Risk Management.
    - Students and advisers must apply for University vehicle certification **every year**.
    - All who are certified to drive a University vehicle are responsible for reporting any changes in individual driver's license status/points to the office of Environmental Health and Safety/Risk Management immediately.

- University vans cannot carry more than 12 passengers (including the driver) at any given time. Seats may be removed to insure that only 12 passengers will be seated with a proper fitting safety belt being worn. UD vehicles are alcohol and drug free spaces. Use or transportation of either substance is prohibited. If your organization qualifies to rent a University of Dayton van, a reservation can be made by contacting one of the following departments:
      - Center for Student Involvement 937-229-3333
      - Center for Social Concern 937-229-2524
      - College of Arts and Sciences 937-229-2611
      - Campus Recreation 937-229-2731
  - Rental Vehicles—renting a vehicle through one of the national rental car companies with whom the University of Dayton has engaged in partnership.
    - Students choosing to rent a vehicle for a registered event/trip are not permitted to rent a van that will hold more than 12 passengers.
    - The University of Dayton has reached an agreement with **Enterprise** car rental so that they will rent vehicles to drivers under the age of 25 who are requesting a rental on behalf of a recognized student organization event/trip. For details, go to <<https://www.udayton.edu/finadmin/financial/purchasing/travel.php>>.
  - Personal Vehicles—using a personal vehicle that is insured by a University of Dayton student, their parent/guardian, or another university employee.
    - Using a personal vehicle should only be considered when a UD van and/or a rental vehicle is unavailable.
    - Personal vehicles must be registered through the Center for Student Involvement by using the Release and Agreement (RSVP) form on 1850. Any personal vehicle being driven must be properly insured through the state of registration and the driver must be registered as an insured driver.
    - The individual insurance policy on that vehicle will always be the primary coverage policy in the event of an accident/incident. The University does not provide coverage for personal vehicles or its occupants.
    - It is highly advised that students who are driving a vehicle that is not registered in their name contact the vehicle’s owner (parent/guardian) to inform them of any upcoming event/trip.
- Air Travel
  - Commercial Airlines—travel through a commercial airline.
    - Non-direct flights are suggested to save on the cost per student when traveling via air
    - Ground transportation should be thought through in advance to arriving in the destination city/location (see ground transportation options)
    - No private air-travel is permitted by student organizations

---

## STUDENT ORGANIZATIONS & USE OF ALCOHOL

---

Student organizations at the University of Dayton are expected to follow and uphold all individual and student organization policies and requirement(s) set forth by Community Standards and Civility (Student Standards of Behavior and Code of Conduct), Center for Student Involvement (Student Organization Resource Guide), and University policies. Below are some frequently asked questions regarding student organization members wishing to host events with alcohol.

### STUDENT ORGANIZATIONS SHOULD PRACTICE SAFE AND HEALTHY BEHAVIORS AND DECISION MAKING WHEN HOSTING EVENTS.

**Q. Can my organization host an event with alcohol?**

A. Only student organizations with liquor liability insurance can host an event with alcohol. Student organizations wishing to host an event with alcohol on or off campus need to register the event and complete all outlined requirements on the following pages for an event with alcohol.

**Q. Are there restrictions around what people can engage in before, during, and after our event?**

A. Yes; student organizations are responsible for managing organization activities before, during, and after events. Pre-gaming (the consumption of alcohol prior to the registered event), abuse of alcohol at events registered with alcohol, and hosting/participating in after parties with alcohol are all prohibited.

- Pre-gaming is prohibited before all registered and unregistered student organization events. This behavior is restricted to ensure the health and safety of all participating organization members and guests. Prohibited pre-gaming includes gatherings of organization members or guests before an event for the purpose of consuming alcohol.
- After parties are prohibited after all registered and unregistered student organization events. This behavior is restricted to ensure the health and safety of all participating organization members and guests. An after party includes any gathering of organization members/guests that includes alcohol and occurs after a registered or unregistered event.

**Q. Our house has members in our organization. What if we have people over to drink? Is that considered an unregistered event with alcohol?**

A. Probably; as a house, it is common to invite of-age individuals over to hang out for a variety of reasons, however, if your housemates are also organization members (regardless of housing type and status) and an invitation is sent to a number of people (especially other organizational members), it can be construed as an unregistered event with alcohol with possible violations of the Code of Conduct. If a reasonable person would associate the gathering with your organization, it is likely considered an event. Please be cognizant of who you invite, how many people are present, and if you know most of the individuals present. The university does not tolerate gatherings where high-risk, illegal, or prohibited behavior is occurring. By paying attention and being responsible to yourself, your organization, and your community, you will be able to limit possible violations.

**Q. What is a community disturbance and what happens to our organization if we are involved?**

A. The Student Code of Conduct states: "A community disturbance encompasses a wide range of behaviors. Such incidents can include harmful or destructive conduct including violence, damage to or destruction of property, blocking sidewalks/streets, setting fires, throwing glass bottles or other objects, refusing to vacate an area where such activity is occurring or any other highly egregious or reckless behavior that compromises the safety and security of the University community or the ability of the police and other authorities to maintain order." Organizations will be held accountable through the conduct process if they are found to have participated in or contributed to a community disturbance.

## EVENTS WITH ALCOHOL

---

The University of Dayton is committed to maintaining a healthy and safe academic community that reflects high standards of personal responsibility and behavior. Alcohol abuse (including drinking games, the use of accelerated drinking devices, or pre-gaming) will not be tolerated. Events with alcohol represent a significant risk to the organization and the institution. Individuals and student organizations planning events should be mindful of the complexities involved with planning an event with alcohol. The University of Dayton also expects those who wish to include alcohol as part of their activities will do so responsibly and lawfully.

Organizations may not plan events that solely promote or encourage the consumption of alcohol, nor may event planning be based upon the assumption of abusive or illegal alcohol consumption. Persons planning events should remember that the vast majority of events at the University of Dayton take place without alcohol and most members of the undergraduate community are not of legal drinking age. Campus organizations that are approved to plan events with alcoholic beverages are expected to maintain a reasonable balance in their programming between events with and those without the serving of alcoholic beverages. Organization funds cannot be used for the purchase of alcohol. All organization events with alcohol must follow the requirements in the “Events with Alcohol” section of this guide. Events with alcohol can only be registered for Fridays and Saturdays.

No student organization is allowed to host or sponsor an event with alcohol off-campus unless the organization has liquor liability insurance. Student organizations wanting to host an event with alcohol on campus (in a designated University space approved by Center for Student Involvement and UD’s Catering Services) may have their event approved if they provide a valid justification for including alcohol in their event. Please contact the Assistant Director when planning such an event.

Events with alcohol cannot be held at an open venue or space. This means the venue must be open only to members and members’ guests or in a space of a venue that is not open to outside guests/the public. At on- or off-campus events where alcoholic beverages are sold, the organization and its officers are solely responsible for implementing and monitoring such affairs in accordance with state laws, University guidelines, and inter/national organizational policies. As such, the hosting organization must also refuse admission and/or service to individuals who appear intoxicated.

***Events with alcohol with parents in attendance*** must comply with all CSI guidelines for events with alcohol. All parents must be included on the guest list, and all parents must sign the release and agreement. If the event requires transportation, all parents must use the 3<sup>rd</sup> party transportation unless the event is at a hotel and parents are staying at that hotel and are able to walk to the event. Students under the age of 21 cannot consume alcohol at an event registered by their organization, even if alcohol is purchased by and in the presence of a parent.

***Events with alcohol with alumni in attendance*** must comply with all CSI guidelines for events with alcohol. All alumni must be included on the guest list and sign the release and agreement.

*If the event is hosted by the Alumni/Dayton Chapter of the organization*, the student organization must register this event not as the host, but as an event they are attending. If that event includes alcohol, the student organization must follow all CSI guidelines. If the event, hosted by non-students, does not permit students to follow all of the CSI guidelines, the organization would need to register their attendance as an event without alcohol and not consume any alcohol at the event.

Organizations hosting events with alcohol are allowed to have cash bars only. **NO OPEN BARS.**

**Student organizations are not permitted to host any event with alcohol within the first 2 weeks of each semester in order to complete all trainings and requirements.**

## REGISTERING AN EVENT WITH ALCOHOL

---

**PLEASE NOTE: ALL REQUIREMENTS ARE DUE A MINIMUM OF 21 DAYS BEFORE THE EVENT. IF REQUIREMENTS ARE NOT MET, THE EVENT WILL BE DENIED.**

Requirements prior to registering an event with alcohol:

- Organization members (a minimum of the president, vice president, treasurer/secretary, event planner, and risk management chair *if applicable*) will need to attend Event Management Training (EMT) provided by the Center for Student Involvement. The schedule of EMT trainings can be found online through *1850* under the Center for Student Involvement (CSI) Portal under the “Events” tab. Each member will need to RSVP for the training through *1850*.
- Sober monitor training must be completed by all designated sober monitors for the event (organizations must provide 1 sober monitor for every 15 event participants). This should also include leadership members and the event coordinator (the organizational member planning the event and filling out the event risk management plan). Sober monitor training can be found in the “Surveys” tab within the CSI portal.

Event registration requirements for events with alcohol:

- The event **MUST** be registered and a Risk Management Plan must be completed. This plan needs to be filled out completely and thoroughly to the satisfaction of Student Life staff within the Center for Student Involvement.
  - When co-hosting an event with alcohol with another university-recognized student organization, the risk management plan will need to be completed jointly with the other organization(s) to have a coherent and unified protocol in the event of an emergency or incident.
  - The student organization(s) are also required to meet with a member from either Student Life or Fraternity and Sorority Life at least two weeks before the event to discuss the completed draft of the risk management plan before submitting/uploading the final plan via *1850*.

Additional Requirements for Events with Alcohol

- All participants (members and guests) will need to complete and sign a release and agreement with their emergency contact information via *1850*. Participants will not be able to RSVP to the event until the event is approved. Remember, emergency contact information should be the first person the individual wants contacted in the event of an emergency. ***Individuals/participants cannot list their friend/roommate as their emergency contact. Your organization is responsible for the information submitted on every form.***

Incompleteness, missing, falsifying, or not satisfying the requirements for an event with alcohol will result in the event not being approved. Therefore, the event will not be allowed to occur and may result in possible organizational and individual consequences. Any event (including events with alcohol) not registered will be considered a violation of CSI guidelines and the Student Code of Conduct resulting in possible sanction(s) including loss of recognition status.

## GUEST LIST

---

A guest list should be created using the RSVPs from the *1850* event. A signed guest list must be shared with the Fraternity and Sorority Life staff following the event with alcohol in the “Post Event High Risk Review.”

## SOBER MONITORS

---

Sober Monitors are required for all events with alcohol regardless of location.

- Designated sober monitors should consist primarily of members over the age of 21.
- Sober Monitors must complete an online Sober Monitor Training.
  - This training is valid for one academic year, and must be renewed every year.

In order to qualify as a sober monitor, students identified as Sober Monitors are **not permitted** to consume alcohol prior to, during, or after the registered event. More details are included in the mandatory online Sober Monitor Training.

## ON-CAMPUS EVENTS WITH ALCOHOL

---

No student organization is allowed to host or sponsor an event with alcohol on campus unless the organization has liquor liability insurance.

For student organizations wishing to host or co-sponsor an event with alcohol on campus, please review and complete the following additional requirements:

1. Register the event in *1850* following all requirements listed in the “Registering an Event” section of this guide.
2. Catering Services is the sole third party vendor for organizations wanting to host an event on campus with alcohol.
3. On campus events with alcohol can only take place in Kennedy Union.
4. Additional requirements may be set forth by the Center for Student Involvement.

## OFF-CAMPUS EVENTS WITH ALCOHOL

---

For student organizations wishing to host or co-sponsor an event with alcohol off campus, please review and complete the following additional requirements:

1. An organization must rent a room, area, or venue closed to the public during your event.
  - a. A “Third Party Vendor Agreement” must be submitted at least one week prior to the event. This form signifies that the business/venue management and staff will abide by all local, state, and federal regulations when hosting a student organization event with alcohol. This form can be submitted either electronically (through *1850*) or by paper.
  - b. Security must be present during the event to ensure the event is private (closed to the public) and that all participants are abiding by proper state and federal alcohol-related regulations. Please contact the venue for their preferred/required security needs.
    - i. If the venue does not require or have a preferred vendor for security, please contact CSI for assistance.
2. Confirmation of Third-Party Transportation must be provided. An uploaded email confirmation, electronic receipt, etc. is required. Remember, students cannot sign contracts!
3. A rental agreement is considered a contract, and students cannot sign contracts on behalf of the University of Dayton and/or a Recognized Student Organization. Please submit all contracts to CSI at **least TWO WEEKS** prior to the event for review and signature.

## 5K GUIDELINES

---

**SCHEDULING:** 5K events *must be scheduled and coordinated in advance*. Student organizations and campus departments can “reserve” the 5K Approved Route by contacting the Center for Student Involvement at 937-229-3333. For the fall semester, scheduling begins on **April 1**; for the spring semester, scheduling begins on **November 1**. In the event that the scheduling date falls on a Saturday or Sunday, reservations will be taken the preceding Friday. 5K events may only be scheduled on a Saturday or Sunday at 10:00 a.m. and only one 5K can occur on a given weekend. (\*Note: ALL student organizations must meet with the Assistant Director for Student Life (KU 241 or 937-229-3333) and register the event in 1850 before the event will be approved.)

**ROUTE:** The 5K approved route must be used. No other routes are permitted. A map of the route will be made available to the hosting organization or department. Student organizations are not permitted to host 5K events in other municipalities or locations. Part of the 5K Approved Route includes the access roadway behind Marycrest Hall. Through the Special Interest Housing initiative, communities in the North and South student neighborhoods and Caldwell apartments contribute invaluable service and philanthropic projects to their neighbors by providing educational programming, sponsoring community gatherings, and devoting time and energies to philanthropic projects.

Student Organizations can apply for Special Interest Housing as a student organization. The quality of your comprehensive proposal and SMART Goals will affect whether your group will be awarded/able to retain a Special Interest house. Because these houses are representative of groups and are readily identified with their group, they have a higher standard to uphold. In addition to the expectations of all Special Interest Houses, Legacy houses have a set of additional expectations.

1. Walk-throughs: All Legacy Special Interest Houses will be required to participate in one scheduled walkthrough each semester.
2. Alcohol: The use of alcohol containers, packaging, or signage for decoration is not permitted in common areas of Special Interest Houses/Addresses.
3. Warnings/Citations: Citations or warnings from any University official could result in a review of Legacy status for the group.
4. Adviser(s): All Legacy houses, similar to other Special Interest Houses, must have a faculty/staff adviser for the house
5. Recognized Student Organizations are not permitted to have an organization house (University-owned or otherwise) unless it has been approved through the Special Interest Housing process. Only Special Interest Houses that are designated as Legacy Houses are permitted to have signage identifying the house by their Recognized Student Organization name.

Additional regulations and qualifications will be published annually by Housing and Residence Life.
