

## Adding a link to the Student Success Network to your Isidore site

Faculty members can add a link to the Student Success Network to any of their Isidore sites using the steps below. Please complete the steps in [Task 1](#) and [Task 2](#) to properly add *and* hide the tool.

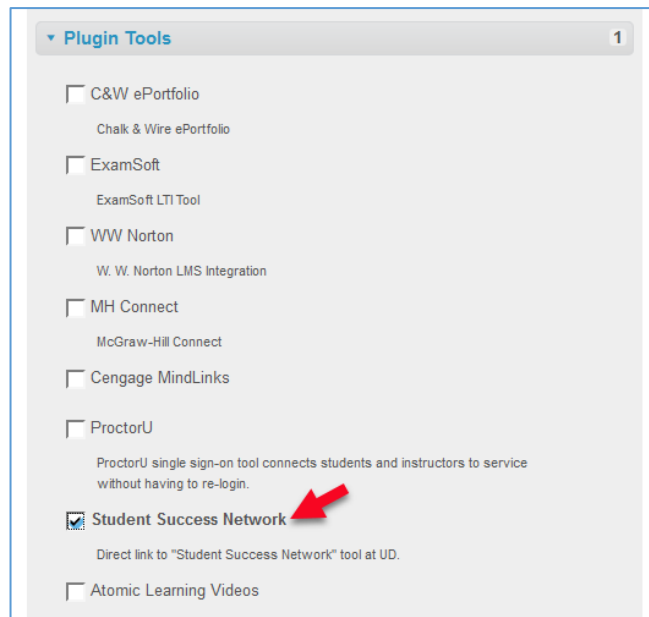

*Questions or Problems:* Please contact the Office of E-Learning ([elearning@udayton.edu](mailto:elearning@udayton.edu))

### Task 1 - Adding the Student Success Network tool to your Isidore site

1. Log in to your Isidore course.
2. Click on the **Site Info** tool in the left-hand menubar.
3. Click on the **Add/Remove Tools** button at the top of the Site Info tool page.

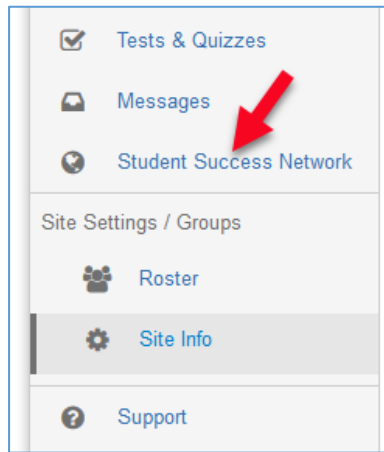

4. Scroll down to the bottom of the page and click on **Plug-in Tools**.
5. Click on the check box next to **Student Success Network**.

6. Scroll down and click on **Continue**. Click on **Continue** on the next page and click on **Finish** on the following page to complete the process.

You should now see the **Student Success Network** tool listed in your left-hand menubar.

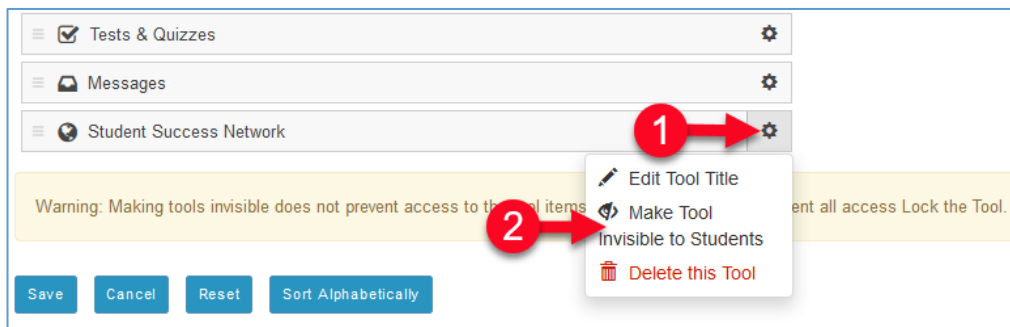

Please move on to Task 2 for directions on how to hide the tool from student view.

## Task 2 - Hiding the Student Success Network tool from students

1. Click on the **Site Info** tool in the left-hand menubar.
2. Click on the **Manage Tools** button at the top of the Site Info tool.

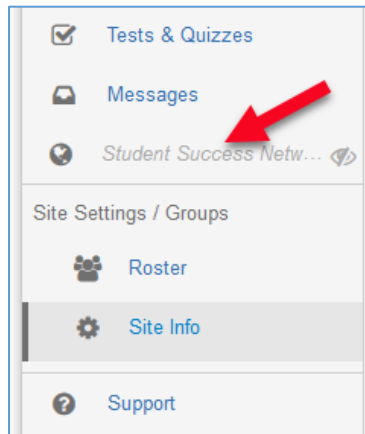

3. Click on the **gear icon** (settings) next to the “Student Success Network” tool and then click on **Make Tool Invisible to Students**. An icon of an eye with a slash through it will appear next to the tool.

4. Click the **Save** button to complete the process.

You should now see the **Student Success Network** tool listed in your left-hand menubar in italics, with an icon of an eye with a slash through it. This lets you know that the tool is hidden from students.

**Success!**

**You have now completed all of the necessary steps to add and hide the Student Success Network tool.**
