

Lifesize Cloud

Course length: 1 Hour

Course type: Instructor led, hands-on learning

Course Details

During this one hour session, you will learn how to save on meeting travel costs and increase time management with a UD supported "Skype like" video conferencing tool called Lifesize Cloud.

Lifesize Cloud is free to use for UD employees and allows you to create virtual meeting rooms with up to 40 internal and external guests as well as share content right from your desk.
