

Office 2016 and Windows 10 Overview

Course length: 1.5 Hours

Course type: Instructor led overview

Course Details

During this session you will see the new features of Microsoft Office 2016 (Word, Excel and PowerPoint) and get an overview of the Windows 10 operating system.

The first hour of this session is dedicated to Office 2016 and the last 30 minutes will cover Windows 10.
