

THE ROESCH CHAIR & DIVISION OF THE SOCIAL SCIENCES PRESENT

THE EIGHTH ANNUAL RAYMOND A. ROESCH, S.M.

SOCIAL SCIENCES SYMPOSIUM

NOVEMBER 22, 2014

This year the symposium is dedicated to the memory of President John F. Kennedy

*"Things do not happen. Things are made to happen."
-John F. Kennedy*

The Raymond A. Roesch, S.M. Social Sciences Symposium

The Social Sciences Symposium is named in honor of Rev. Raymond A. Roesch, S.M., Ph.D., in recognition of his widespread contributions to the University of Dayton. For a period of 40 years, he exemplified the Marianist commitment to servant leadership.

Fr. Roesch, a native of Pennsylvania, entered the Society of Mary in 1933 and graduated from the University of Dayton in 1936. He was ordained to the priesthood in 1944 and returned to UD in 1951 as a professor of psychology. After serving seven years as chair of the department, he became the 16th president of the university in 1959.

Hoping to make his vision of excellence a reality, Fr. Roesch was instrumental in giving the university campus a new look; renovating existing buildings, building new ones, and developing the campus housing by constructing Campus South, and Marycrest and Stuart Halls. In the twenty years of his presidency, he added nine academic departments, six associate degree programs, eighteen bachelor degree programs and forty-four masters programs. The School of Law also reopened under his leadership.

Fr. Roesch set into motion the commitment to excellence that continues to shape the University of Dayton.

"Scholarship, research and other forms of creative and intellectual engagement with ideas and the world are the foundation of the academic life of our university."

-- University of Dayton Vision of Excellence

"All students will develop and demonstrate advanced habits of academic inquiry and creativity through the production of a body of artistic, scholarly, or community-based work intended for public presentation and defense."

-- University of Dayton Habits of Inquiry and Reflection
